<p>INFO SCREEN [INFO1]</p>	<p>Please read the following information before you decide whether or not to participate.</p> <ol style="list-style-type: none"> 1. The purpose of this research study is to understand marijuana use and the impact of marijuana policies in different [US: "states", Canada: "provinces", Australia: "states/territory", NZ: "regions", UK: "regions", DE: "states"] and countries. 2. You will be asked about marijuana (NZ, UK, GER: 'cannabis') use and your opinions about marijuana (NZ, UK, GER: 'cannabis') use. You will be asked some questions about other health-related behaviours and your background.

3. This study is being led by Professor David Hammond at the University of Waterloo, Canada in collaboration with researchers from Massey University, New Zealand (Professor Chris Wilkins, Dr. Marta Rychert), the University of Queensland in Australia (Professor Wayne Hall, Dr. Gary Chan), the University of Bath (Dr. Lindsey Hines, Dr. Tom Freeman), and the IFT Institut für Therapieforschung gGmbH (Dr. Eva Hoch).
4. As a thank you for participating, the survey firm will provide their usual compensation to the panel member.
5. This survey will take about 25 minutes to complete.
6. You must be between 16 and 65 years of age to participate in this study.
7. Participation is voluntary. Some questions are required to complete the survey; for all other questions, you can click 'refuse to answer' to any question you do not wish to answer and will still receive your remuneration.
8. You can withdraw from the study at any time by closing your browser; however, you will not receive compensation. [GER only: "Your data will not be used if you withdraw from the study."]
9. [GER ONLY: "The data will be collected according to the European Union's GDPR rules. Your data will be assigned an anonymous ID code before it is shared with the University of Waterloo and other researchers."]
10. [GER ONLY: "Your contact information will be stored separately from your responses. After all data is collected, the file linking contact information to responses will be deleted."]
11. Summary findings may be shared with other researchers and/or published. However, all of the information you provide will be grouped with responses from other participants, which means that there will be no way to identify participants individually.
12. The data will be anonymously stored for a minimum of 7 years on a secure University of Waterloo server. [GER only: "Any transfer of the anonymized data within the research team will use password-protection and encryption."] Researchers will not collect or use internet protocol (IP) addresses or other information which could link your responses to your computer or electronic device. When information is transmitted over the internet, privacy cannot be guaranteed. There is always a risk your responses may be intercepted by a third party (e.g., government agencies, hackers).
13. This study has been reviewed and received ethics clearance through a University of Waterloo Research Ethics Board (REB 31330) If you have questions for the Board, contact the Office of Research Ethics, toll-free at 1-833-643-2379 (Canada and USA), 1-519-888-4440 ["001-519-888-4567" Germany only], or reb@uwaterloo.ca.
14. By providing your consent, you are not waiving your legal rights or releasing the investigator(s) or involved institution(s) from their legal and professional responsibilities.
15. For all other questions about the study, please contact Professor David Hammond of the University of Waterloo at 1-519-888-4567 ["001-519-888-4567" Germany only] ext. 46462 or david.hammond@uwaterloo.ca.

CBD-ONLY PRODUCTS THAT DON'T MAKE PEOPLE FEEL 'HIGH'

Products that contain ONLY CBD do not make people feel "high" and are often marketed as health or 'wellness' products.

[US: CBD-only products are legal in most US states, and are often sold in grocery stores, gas stations, malls, and online.]

[AUS/UK/GER: CBD-only products are legal in [Australia / the United Kingdom / Germany], and are often sold in grocery stores, gas stations, malls, and online.]

[NZ: CBD-only products are legal in New Zealand with a prescription and can be bought from pharmacies.]
